**The Manassas Chorale Presents *Around the World ... It's Christmas!*  
*Annual Christmas Concert***

FOR IMMEDIATE RELEASE

**Manassas, Va – The Manassas Chorale** will present ***Around the World ... It's Christmas!***, taking place at the **Hylton Performing Arts Center** on **December 9, 2017**, and featuring the chorale singers and orchestra.

**The Manassas Chorale** is proud to continue to incorporate **Concert With a Cause** benefitting **SERVE** at the concert. Chorale and audience members can support **SERVE** by

bringing non-perishable items to the concert. Miller Toyota provides a truck to collect donations, which is filled to overflowing with food and personal care items by the end of the concert.

The **SERVE** shelter helps our neighbors receive the immediate assistance they need, such as food and shelter, and develop the potential for future success, including rapid re-housing, health access and services for children.

***Around the World ... It's Christmas!*** is the theme for the 2017 edition of our annual Christmas concert. Travel the globe with the Chorale with carols and songs of the season from many countries, featuring part of composer Mark Hayes' "*International Carol Suites*."

Tickets are available from the Hylton Performing Arts Center Box Office (Tue.-Sat. 10-6pm; 888-945-2468; [www.hyltoncenter.org](http://www.hyltoncenter.org)). Single ticket prices are \$20, \$18. Children 18 and under are free.

Comments from audience members: "The Chorale just keeps getting better. Your concert last night was so excellent." "My friends all loved the concert and asked when the Christmas tickets will go on sale." "Thank you for yet another Great

concert! Perhaps the best yet.” “I am always amazed at how a volunteer group can sound so professional.”

The **Manassas Chorale** is an auditioned community chorus in its twenty-fourth season and in its eighth year as a Resident Arts Partner at the Hylton Performing Arts Center. Our members include high school and college students and adult singers of all ages and has been awarded the 2017 Kathleen Seefeldt Award for Outstanding Arts Organization.
