The Manassas Chorale Presents Adoration and Celebration!
Annual Voices United Concert

FOR IMMEDIATE RELEASE

Manassas, VA – The Manassas Chorale will host the Annual Voices United Concert, **Adoration and Celebration**. Voices United is an annual sacred music workshop, open to singers of all ages, directed by a world class clinician. This year our clinician is Dr. Pearl Shangkuan, from Calvin College. The workshop takes place at Manassas Baptist Church on March 16 and 17, capped by an evening concert on Saturday,

March 17 at 7:30 pm at the **Hylton Performing Arts Center**, featuring the Manassas Chorale, the Voices United choir and orchestra.

This is the Twentieth Anniversary for Voices United, open to singers from all walks of life, aged high school through retirement. There is no audition to participate. Registered singers participate in preliminary rehearsals in February and March, followed by a two-day workshop with a guest clinician/conductor. We encourage interested singers to take advantage of this unique opportunity!

Registration is now open. For more information, or if you are interested in participating, please contact Becky Verner (703-361-2146 x291 or bverner@manassaschorale.org) or visit our website, www.manassaschorale.org/voices-united.

The **Manassas Chorale** is an auditioned community chorus in its twenty-fourth season and in its eighth year as a Resident Arts Partner at the Hylton Performing Arts Center. Our members include high school and college students and adult singers of all ages and has been awarded the 2017 Kathleen Seefeldt Award for Outstanding Arts Organization.
